

## DONA DELFINA ROSADO

*Mencia y Albarello. Format: 75 cl.*

**DONA DELFINA ROSADO**, is the tranquil pink wine of Roandi. Made from grapes selected from **MENCÍA** and **ALBARELLO**, a maceration is carried out at low temperature and a light pressing to achieve the bright color characteristic of this wine. The fermentation takes place in stainless steel tank at a temperature of 16°C, obtaining a very aromatic wine, fresh and alive.

**NOTE TASTING:** Pleasant raspberry color, with pink hues, limpid and shiny. Intense nose, with memories of red fruits like currants, cherries, strawberries or raspberries. Floral souvenir to roses. In the mouth, it is soft, fresh and balanced. Perfect companion with rice and pasta, as with vegetables such as eggplant or salads, not forgetting the harmony we get with sushi.
